UNA-USA Southern New York State Division

Dear Division Board Members and Colleagues,

This is a test of Constant Comment, an email program we are now sharing with UNA Queens. The program will allow us to send emails to the people who are Division members and not part of any chapter. We have email addresses for about 60 and have not previously had a method of reaching them. We don't have emails for about 40 - telephone those members is the next step.

This mailing is going just to the Board and volunteers. If it works we'll send another email to everyone with details of our upcoming December 13 Annual meeting.

Building upon her relationship with the Southern NYS Division and participation at the Westchester UN Day event, Michele Clarke-Ceres will speak in Westchester County at the World AIDS Day event shown below.

Please give feedback. If you are a chapter president and would be willing for the division to send an occasional mailing to your members, please let me know and we'll work on the details.

Happy Thanksgiving to all!

Warm regards,

Ginger
